THE AREV SPA BY MAISON ST

An exclusive alliance between the prestigious Maison ST Parfum and the AREV Saint-Tropez Hotel has resulted in the creation of an unparalleled luxury spa, renowned for its high-end and medical-grade equipment.

Located within the AREV Saint-Tropez Hotel, this spa embodies the essence of Mediterranean luxury.

Each spa treatment is enriched by Maison ST's olfactory expertise. Tailor-made fragrances, created exclusively for the AREV Hotel, will delight the senses.

Our experienced practitioners will work closely with you to create a personalized massage session, selecting techniques, pressure levels, and organic plant-based oils to suit your individual preferences. Experience the ultimate in relaxation.

Our Maison ST signature treatments have been developed in collaboration with the World Spa Project.

A CUSTOMIZED EXPERIENCE

Create your signature by Maison ST with our prestigious fragrances and organic vegetable oils.

1. **Choose from our selection of Massage Oils:**
Maison ST Radiance Balm, Carrot Oil, Jojoba Oil, Camelina Oil
(the selection varies, ensuring a tailored well-being experience)
2. **Select your favorite fragrance from our four exclusive Maison ST perfumes:**
 - **N°7 TERRE D'AZUR**
The fig, generous and feminine, reveals the indulgence and refinement of the fruit of Provence, under the warm summer sun.
 - **N°8 TERRE D'AZUR**
A symphony of oud, pear, and coconut, inspired by the French Riviera, where marine notes blend with orange blossom and rose, providing a sensory experience of rare sophistication.
 - **N°10 TERRE D'AZUR**
Flowery notes awaken all your senses with sweet wafts of almonds and tuberose, mixed with anise and peach.
 - **N°16 TERRE D'AZUR**
Immerse yourself in an enchanting fragrance that combines the freshness of thyme and menthol with the warmth of eucalyptus and guaiac wood, offering an unparalleled olfactory experience.
3. **Witness the assembly of your customized composition right before your eyes.**
4. **Enjoy a unique and personalized experience.**

MAISON ST SPA COLLECTION

This range of skincare has been meticulously crafted using raw materials sourced from the Mediterranean Sea and Brittany, including mineral-rich seawater, algae with numerous benefits, and marine sand for gentle exfoliation.

Our products contain a precious combination of numerous marine ingredients:

- Marine Collagen, renowned for its anti-wrinkle properties and firming action
- Hyaluronic Acid, ensuring deep hydration, reinforced suppleness, and restored firmness
- Sea Fennel to reveal the skin's natural radiance and promote cellular renewal.
- Brown algae: Brown algae are renowned for their numerous virtues, including their hydrating, purifying, remineralizing, and antioxidant properties, beneficial for both skin and overall health.

Maison ST manufactures its products through a French laboratory partnership specializing in cosmetology.

Natural ingredients, immediate effects, and instant comfort define the Maison ST spa collection. Each formula has been meticulously crafted using natural marine actives, ensuring the quality and efficacy of our tailor-made products.

All our products are made in France following an ecological approach that respects both humans and the environment. Maison ST, Richesse de la mer, embodies an exclusive collection of rituals from the French Riviera.

OUR TECHNOLOGIES FOR OPTIMAL PERFORMANCES OF OUR TECHNOLOGIES

NORMATECH BOOTS*

**Pressotherapy, for perfect stimulation
of your blood circulation**

The new NORMATEC compression boots, now under Hyperice, embody the 3rd generation of pneumatic compression therapy. The result of accumulated expertise, they aim to optimize your athletic performance. NORMATEC 3 accelerates recovery through its patented pulse technology, stimulating blood circulation in the legs. This pulse targets muscle toxins, thus reducing post-workout soreness and pain.

REVEL'AQUA*

An innovation in facial hydrodermabrasion.

Hydrodermabrasion is the newest and most effective way to remove dead skin cells.

With reduced pain and irritation compared to traditional microdermabrasion treatment, this new technology utilizes water and oxygen to gently exfoliate the skin while delivering concentrated actives ingredients tailored to your client's needs.

Moisturizing ingredients penetrate easily, leaving the skin more beautiful, radiant, and rejuvenated.

- Enlarged pores and blackheads
- Oily and congested skin
- Fine lines and expression wrinkles
- Loss of firmness and elasticity
- Roughness and keratosis
- Dull and blurred complexion

LUCIBEL.LE *

PHOTOBIMODULATION MASK, OVE III

designed by Olivier Lapidus

Discover our customized serum, meticulously created by Maison ST and validated by Dr. Michelle Pelletier, a Dermatologist specializing in morphological and anti-aging medicine, to enhance the benefits of the OVE III machine.

This exclusive collaboration between Maison St's expertise and LUCIBEL.LE's advanced technology offers a high-end treatment using red LED light photobiomodulation.

Experience the reactivation of cellular regeneration, allowing your skin to regain elasticity and firmness. Notice a visible reduction in the depth of wrinkles and a redefined facial contour.

-70% sebum rate / +24% skin smoothing / -32% pore diameter / -38% wrinkle depth

LUCIBEL.LE Light Therapy*

LUCIBEL.LE Light Therapy treatments of 12 minutes can be repeated twice a week with a 72-hour interval between sessions, or on an occasional basis. LUCIBEL.LE Light Therapy treatments of 20 minutes have an immediate effect but should only be repeated once a week.

We recommend a protocol of 4-8-12 sessions, followed by a 2-month break before resuming. For enhanced results, you can undergo a facial treatment before your session. Feel free to seek advice from our experts.
