AREV SPA IN COLLABORATION WITH MAISON ST

An exclusive partnership between the prestigious Maison ST Parfum and the AREV Saint-Tropez Hotel has been formed to create an unparalleled luxury spa, characterized by high-end and medical-grade equipment.

Located within the AREV Saint-Tropez Hotel, this spa embodies the essence of Mediterranean luxury.

Each treatment at the spa is enriched by the olfactory expertise of Maison ST. A custom-made fragrance, created exclusively for the AREV Hotel, will enchant your senses.

Our experienced practitioners will work closely with you to create a tailor-made massage session, selecting techniques, organic vegetable oils, and a unique cosmetic line, all designed with natural ingredients by Maison ST, to provide the ultimate relaxation.

Our signature Maison ST treatments have been developed in partnership with World Spa Project.

A TAILOR-MADE EXPERIENCE

Create your own Maison ST signature, with our prestigious fragrances, organic vegetable oils, or the natural cosmetic line of our brand.

1. **Choose from our Massage Oils:**
Baume Lumière Maison ST, Carrot Oil, Jojoba Oil, Cameline Oil (selection varies for a personalized well-being experience).
2. **Select your favorite fragrance from our four exclusive Maison ST perfumes:**
 - **N°7 TERRE D'AZUR**
The fig, generous and feminine, reveal the gourmandise and refinement of Provence fruit under the warm summer sun.
 - **N°8 TERRE D'AZUR**
A symphony of oud, pear, and coconut inspired by the Côte d'Azur, where marine notes mingle with orange blossom and rose for a sensory experience and rare sophistication.
 - **N°10 TERRE D'AZUR**
Floral notes awaken all your senses with smooth scents of almond and tuberose, blended with anise and peach.
 - **N°16 TERRE D'AZUR**
Immerse yourself in an intoxicating fragrance combining the freshness of thyme and menthol with the warmth of eucalyptus and guaiac wood for an incomparable olfactory experience.
3. **Witness the blending of your personalized composition before your eyes.**
4. **Enjoy a unique and personalized experience.**

THE COLLECTION MAISON ST SPA

This range of treatments has been carefully crafted using raw materials sourced from the Mediterranean Sea and Brittany, such as mineral-rich seawater, algae with multiple virtues, and marine sand for gentle exfoliation.

Our products contain a valuable combination of marine ingredients, including:

- Marine Collagen: Known for its anti-wrinkle properties and firming action.
- Hyaluronic Acid: Provides deep hydration, improved elasticity, and renewed firmness.
- Sea Fennel: Reveals the natural glow of the skin and promotes cell renewal.
- Brown Algae: Known for its numerous benefits, including hydrating, purifying, remineralizing, and antioxidant properties, beneficial for both skin and overall health.

Maison ST manufactures its products through a French laboratory specializing in cosmetology. Natural ingredients, immediate results, and instant comfort define the Maison ST spa collection.

Each formula has been meticulously designed with natural marine ingredients, ensuring the quality and effectiveness of our tailor-made products. All our products are made in France, following an ecological approach that respects both people and the environment.

Maison ST, Riches of the Sea, embodies a collection of exclusive rituals from the Côte d'Azur.

NORMATECH BOOTS

Pressotherapy for perfect blood circulation stimulation

The new NORMATEC compression boots, now under Hyperice, represent the 3rd generation of pressotherapy. Developed from accumulated expertise, they are designed to optimize your athletic performance. The NORMATEC 3 accelerates recovery with its patented pulse technology, stimulating blood circulation in the legs. This pulse targets muscle toxins, reducing post-workout soreness and pain.

LUCIBELLE *

PHOTOBIMODULATION MASK, OVE III

designed by Olivier Lapidus

This mask reactivates your skin's cellular regeneration, allowing it to regain elasticity and firmness. The depth of your wrinkles is visibly reduced, and the contour of your face is redefined.

-70% reduction in sebum levels / +24% skin smoothness / -32% pore size / -38% wrinkle depth

LUCIBEL.LE Light Therapy *

LUCIBEL.LE light therapy treatments of 12 minutes can be repeated twice a week, with at least 72 hours between sessions, or as needed. The 20-minute LUCIBEL.LE light therapy treatments offer immediate effects but should only be done once a week. We recommend a protocol of 4-8-12 sessions followed by a 2-month break before resuming. For enhanced results, a facial treatment before your session is recommended. Feel free to ask our experts for advice.

SOFT FX SKIN ANALYZER

- The professional SOFT FX skin analyzer provides reliable, complete, and in-depth readings in just a few minutes, offering the ability to customize treatments based on your needs. Whether it's the skin on your face, hands, neck, décolleté, legs, or even hair, this innovative device quickly and objectively delivers a professional analysis.
- A personalized and tailor-made experience.

Derived from French excellence, Contour Paris technologies are developed and manufactured locally in Fréjus, France, ensuring flawless reliability and exceptional results.
